STRONGIRT® and Build America, Buy America Act (BABAA)¹ Criteria

STRONGIRT®, a product of Strongwell Corporation manufactured by our U.S. facilities, meets the Buy America Preference requirements of the Build America, Buy America Act (BABAA) and qualifies as “Manufactured Goods” according to the Act.

Strongwell Corporation has manufacturing facilities in Bristol, Virginia; Washington County, Virginia and Chatfield, Minnesota.

In order to ensure that a particular purchase order results in full compliance with the Build America, Buy America Act (BABAA), the customer should specify this requirement in its original request for quotation of materials from Strongwell.

This letter is for general information. We recommend that in addition to this general statement, a customer who needs a letter indicating that the BABAA requirements are met with regards to a specific order of Strongwell products contact our Contracts Manager, Chris Kerley, at (276) 645-8067.

Sincerely,

David Gibbs
Vice-President, Sales & Engineering
